

# Orange Star Missiles instructions

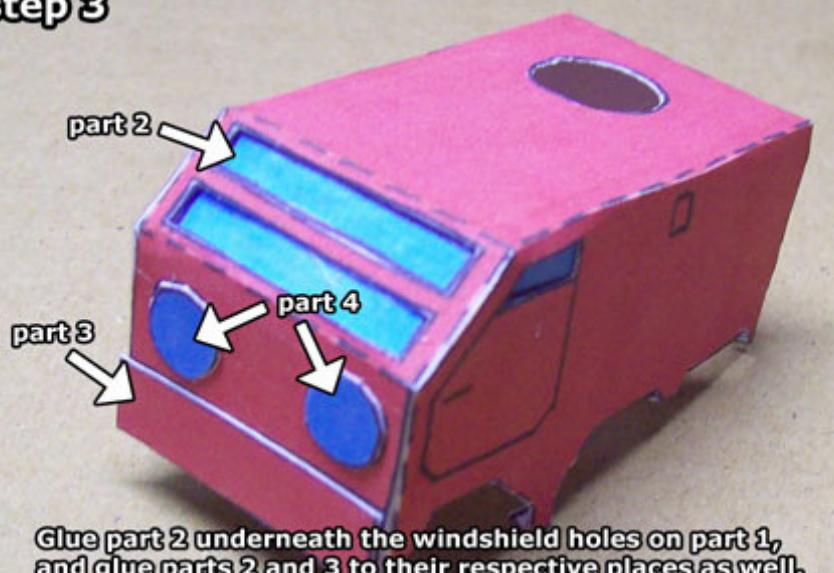

## step 2

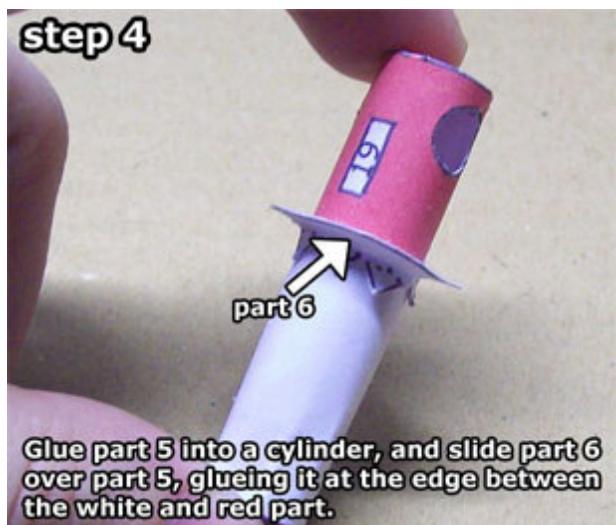

Cut out all the holes (marked by the little orange scissors) and assemble part 1 as shown here.

## step 3

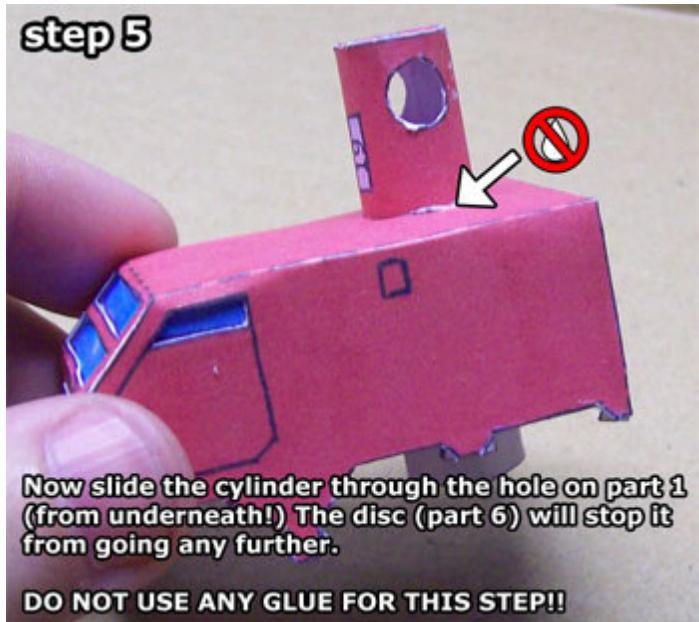

Glue part 2 underneath the windshield holes on part 1, and glue parts 2 and 3 to their respective places as well.

## step 4

Glue part 5 into a cylinder, and slide part 6 over part 5, glueing it at the edge between the white and red part.

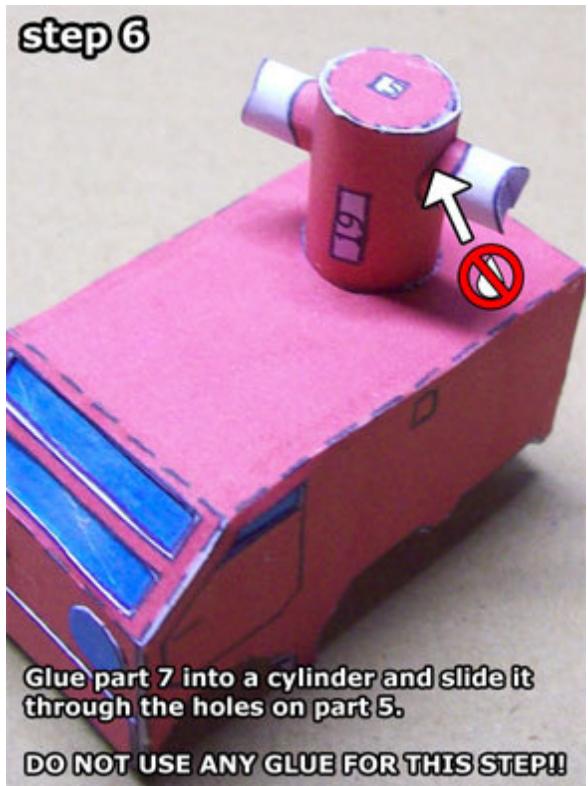

## step 5

Now slide the cylinder through the hole on part 1 (from underneath!) The disc (part 6) will stop it from going any further.

**DO NOT USE ANY GLUE FOR THIS STEP!!**

## step 6

Glue part 7 into a cylinder and slide it through the holes on part 5.

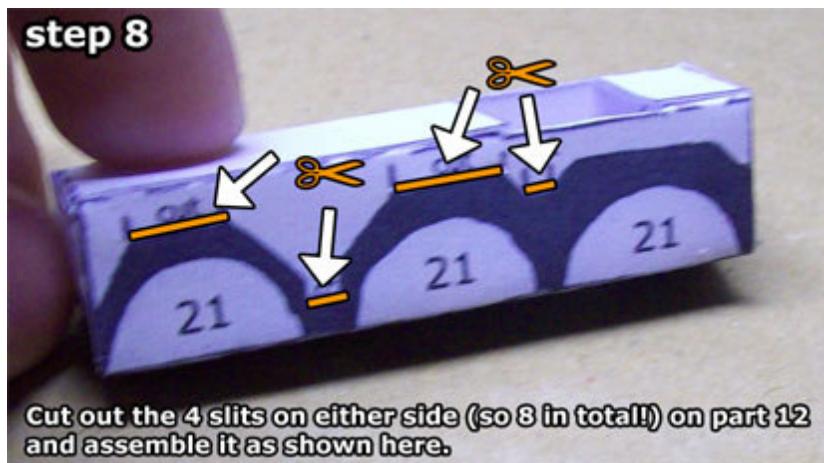

**DO NOT USE ANY GLUE FOR THIS STEP!!**

## step 7

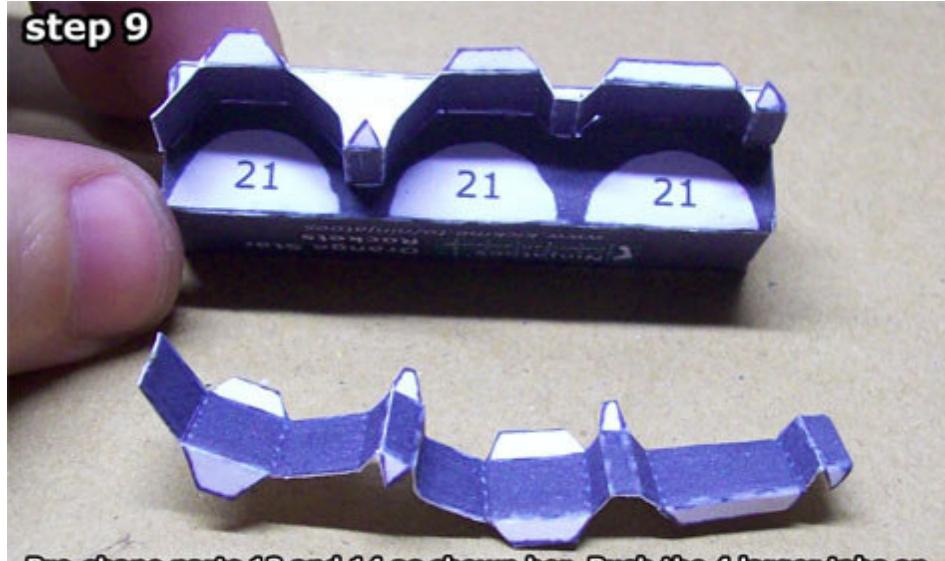

Assemble and glue together parts 11 and 12 and 13 and 14, and glue them to part 10 as shown here.

## step 8

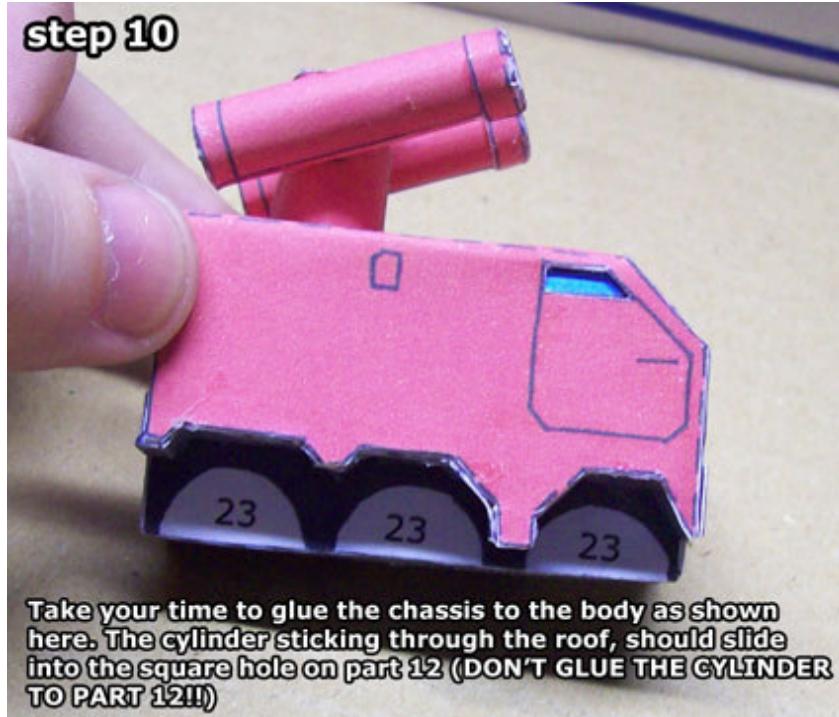

Cut out the 4 slits on either side (so 8 in total!) on part 12 and assemble it as shown here.

### step 9

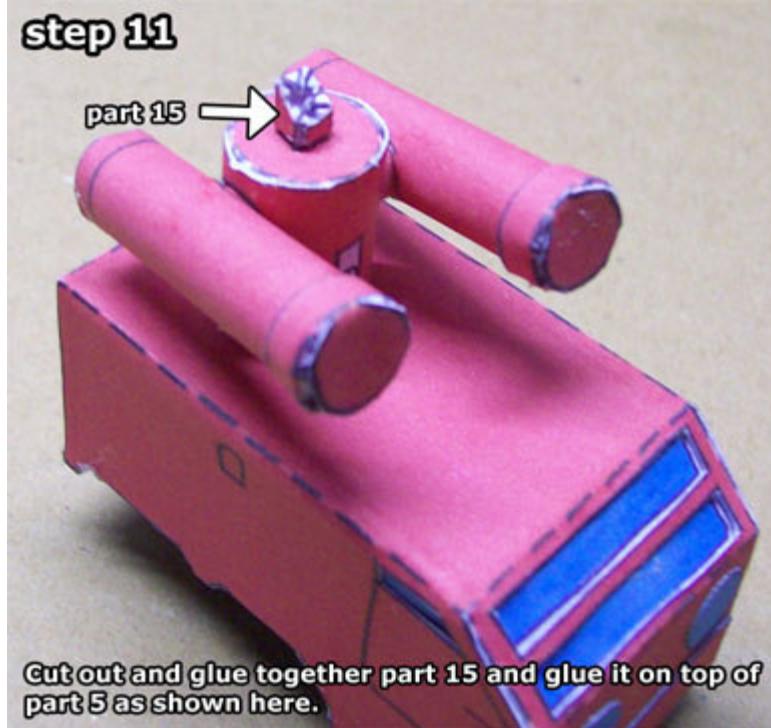

Pre-shape parts 13 and 14 as shown here. Push the 4 larger tabs on parts 13 and 14 through the slits on part 12 and glue the other tabs around the edge between the white and black areas.

### step 10

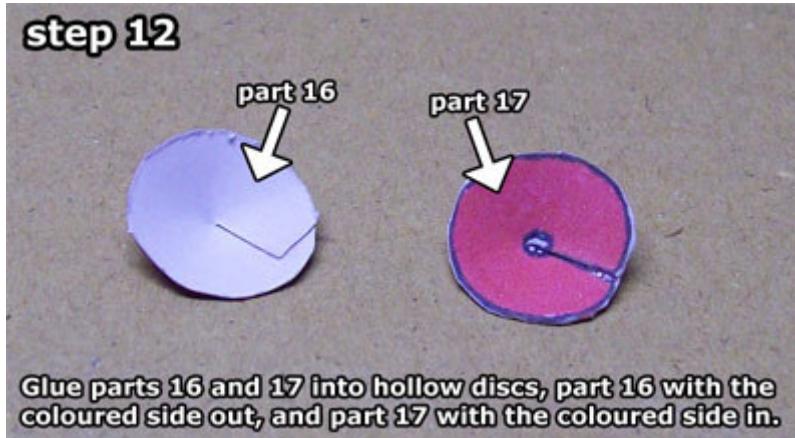

Take your time to glue the chassis to the body as shown here. The cylinder sticking through the roof, should slide into the square hole on part 12 (DON'T GLUE THE CYLINDER TO PART 12!!)

### step 11

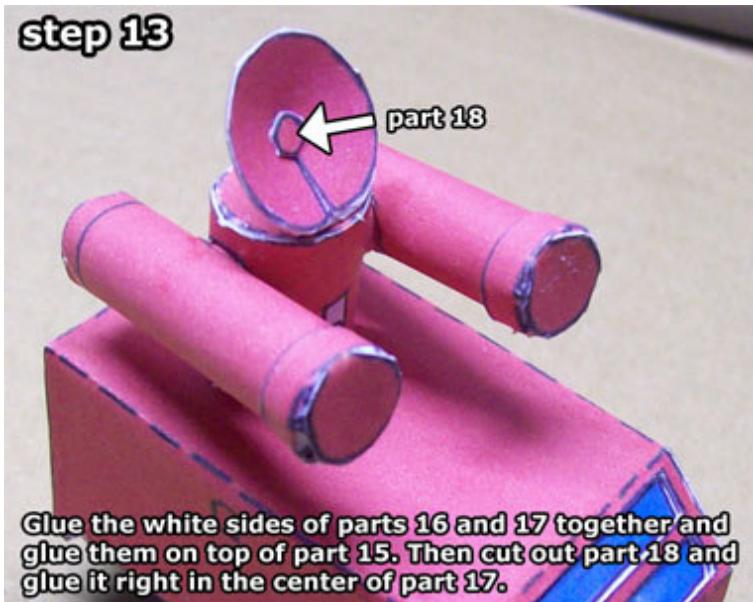

Cut out and glue together part 15 and glue it on top of part 5 as shown here.

### step 12

Glue parts 16 and 17 into hollow discs, part 16 with the coloured side out, and part 17 with the coloured side in.

### step 13

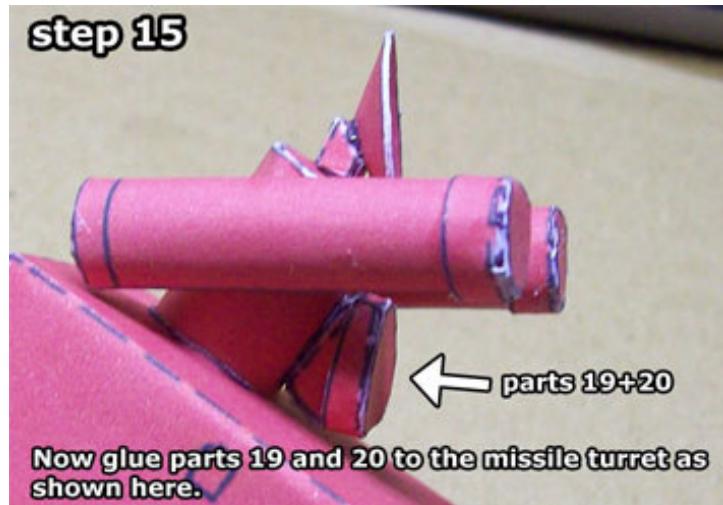

Glue the white sides of parts 16 and 17 together and glue them on top of part 15. Then cut out part 18 and glue it right in the center of part 17.

### step 14

Cut out and glue part 19 into a wedge-shape, and part 20 into a flat disc. Then glue the two parts together as shown here.

### step 15

Now glue parts 19 and 20 to the missile turret as shown here.

## step 16

Orange Star  
Missiles

Cut out and assemble parts 21 and 23, and glue on parts 22 and 24. Then glue the wheels to the truck to finish your Orange Star Missile unit!

Thank you for downloading and building a Ninjatoes' paper model!!
